

K P SANGHVI  
SINCE 1965

CELEBRATING  
**60**  
Years  
OF CRAFTSMANSHIP

# BEYOND BUSINESS

Our Commitment to a Better World

# Driven by Values, Dedicated to Change

Since 1965, KP Sanghvi has believed that true success lies not only in excellence but also in responsibility. Guided by ethics, compassion, and sustainability, we have built a legacy that uplifts people, protects the planet, and pioneers responsible practices.

Our journey is guided by three pillars — Empowering People & Communities by creating opportunities that transform lives, Protecting the Planet through conservation and compassionate care, and Pioneering Sustainable Practices by setting new benchmarks in transparency, ethical sourcing, and responsible growth.

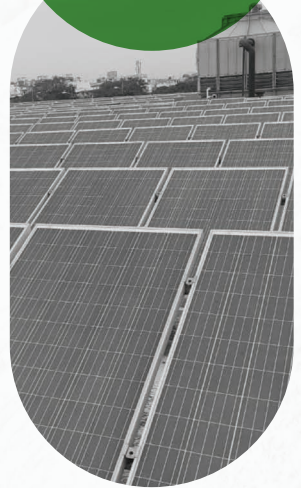

At KP Sanghvi, Corporate Social Responsibility is not just an initiative — it is who we are. Every step we take is a step toward shaping a brighter, more responsible tomorrow.

**Empowering  
People &  
Communities**

**Protecting the  
Planet**

**Pioneering  
Sustainable  
Practices**

# Empowering People & Communities

People are at the heart of KP Sanghvi's journey. From creating opportunities for women and building educational institutes to strengthening healthcare and community well-being, we believe progress begins with empowerment. Our efforts span across India and beyond, fostering inclusion, dignity, and growth for individuals and communities alike.

## Women Empowerment

At KP Sanghvi, empowerment begins with inclusion, a testament to our commitment to equality, diversity, and community development. From giving women access to skills, financial independence, and leadership opportunities, to fostering initiatives that uplift communities, we believe progress comes through collective empowerment.

### Industry's first all-women

diamond polishing facility  
in Surat.

**35%**

of women  
workforce.

In Botswana our factory employs **70% locals, including 55% women.**

## Education

At KP Sanghvi, we believe education builds the strongest foundation for change. By establishing and nurturing institutes in rural parts of India, we strive to provide access to quality learning, nurture young minds, and empower the leaders of tomorrow.

**3** Educational Institutes

Creating  
**26,000+**  
**sq.ft.**

of learning space  
in rural part of India.

**3,500+**

Students are  
nurtured.

## Healthcare & Well-being

We believe good health is the foundation of strong communities. By building hospitals, extending medical support where access is limited, and providing timely relief in times of crisis, we continue to work towards a healthier, more resilient society.

**3** Hospitals

Since **2008**, we  
have organized blood  
donation drives and  
medical camps across  
rural India.

**500,000+** meals  
served during COVID-19 to  
displaced migrant groups.

Disaster relief across  
multiple cities in India.

# Protecting the Planet

At KP Sanghvi, sustainability is deeply embedded in our ethos. Guided by responsibility and care, we strive to protect natural resources, nurture ecosystems, and foster harmony between people, nature, and all living beings. This commitment comes alive through our efforts in:

## Water Conservation

Through modern conservation techniques we conserve  
**250 million+ liters annually.**

## Tree Plantation

By planting **300,000+ trees**, we restore degraded land and sequester about **6,600 tons of CO<sub>2</sub> annually.**

## Animal Welfare

We invest over **\$1.8 million annually** in animal welfare.

**74,000+ sq.m.** shelter for  
**5,500+ rescued animals** with  
the support of a 24x7 veterinary hospital.

## Renewable Energy

**1/3rd** of our electricity from renewable sources (Solar and Wind).

# Pioneering Sustainable Practices

At KP Sanghvi, sustainability guides not only what we create but how we operate. By adopting responsible practices and aligning with global benchmarks, we continuously raise standards for efficiency, accountability, and ethical growth.

## Responsible Jewellery Council (RJC)

Certified by RJC in 2012, we adhere to the highest standards of integrity, transparency, and sustainability across the jewellery value chain.

## UN Sustainable Development Goals

Our ethos has long reflected the spirit of 14 of the 17 UN SDGs, a commitment we carry forward through measurable action for people and the planet.

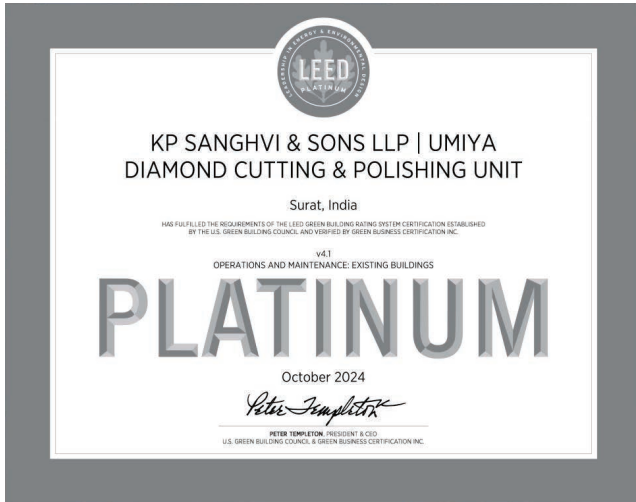

IN SUPPORT OF

WATCH &  
JEWELLERY  
INITIATIVE 2030

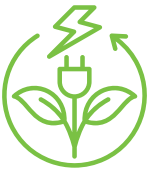

## Watch & Jewellery Initiative 2030

In 2024, we joined WJI 2030, co-founded by Kering and Cartier, to contribute towards building climate resilience, preserving resources, & fostering inclusivity across the industry.

## LEED Platinum Certification

Our facilities are LEED Platinum Certified — the highest global recognition for green building, setting a benchmark in sustainable design, energy efficiency, and environmentally responsible operations. We achieved this through:

### Renewable Energy

Optimized use of renewable energy sources.

### Water Conservation

Recycling and efficient water management.

### Circular Ecosystem

Robust recycling and responsible disposal.

### Air Quality

Clean, healthy, and safe indoor environments.
